JAVA DEVELOPER

Albuquerque, NM | github.com/TonyXenos5

An aspiring java developer that you can rely on, I have learned multiple coding languages (such as Java, SQL, HTML, etc.) and have several years of experience with computer technologies. I am proficient in devising creative and critical examples for coding solutions, while maintaining the proper syntax and spelling to avoid errors in coding.

SKILLS

Technical: Programming Languages: [HTML, CSS, Java, SQL, Spring Boot], Microsoft Office, Creative Writing

Professional: Leadership, Detail-Oriented, Time-Management, Problem Solving, Computer Skills, Teamwork, Decision Making

EXPERIENCE

WALMART #3732 | Rio Rancho, NM

Stocker Associate, September 2020 - Present

- Earned trust to act in a Team Lead (Assistant Manager) role whenever our Team Lead is unavailable.
- Trained several associates that were added to the team in several responsibilities that our team handles.

REGAL | North Las Vegas, NV

Floor Staff, November 2017 – May 2018, December 2018 – April 2019

- Trusted to handle duties usually reserved for Assistant Managers.
- Trained groups of new employees in concessions during peak rush hours.

WALMART #2554 | Avondale, AZ

Overnight Stocker, August 2018 – October 2018

- Improved my ability to spot-check for minute mistakes across great areas with similar appearances.
- Managed to significantly increase the efficiency in speed and amount of spot-checking for zoning grocery aisles, from handling half of the grocery aisles in a shift to all of them with

time to spare in a shift.

EDUCATION

SCHOOL NAME (START THE MOST RECENT) | Albuquerque, NM

Back-End Coding Bootcamp, December 2022 - End Date (or Present)

- Created Java and Maven projects that were uploaded to linked Github page that demonstrate knowledge and skill with Java, MySQL, and Spring Boot

KECOUGHTAN HIGH | Hampton, VA

High School, February 2014 - June 2016

- Graduated with Honors
- Took place in Web Design competitions, placing 1st at regional level in 2015 and 2016, and placing 4th at state level in 2015.
