

Career Services Assignment 7 – Resume

Instructions: Refer to the *Resume Checklist* and *Creating a Resume That Stands Out* resources in your career services module. Create a nice, clean resume. Create accounts on sites like CareerBuilder, Monster, Indeed, and Glassdoor. Upload your resume to these sites and make your resume public. Turn in your resume in addition to this document. Answer the questions below.

What are the URLs to your profile on the sites you uploaded your resume to?

<https://my.indeed.com/p/antonioc-t8s3808>

What did you learn about resume writing?

I learned a more proper way to format and list my work history, skillset, and achievements that I've gained over the years. I'll be glad to utilize this for the future, as I continue my path as an aspiring coding developer
